MEMORANDUM FOR THE RECORD

Subject: Records Center Space for USIB Finished Intelligence

1. On 13 April 1964, Mr. Donald Simon, Chief, Records Management Division, Department of State, advised me that he was in general agreement with the objective of establishing a central repository of Finished Intelligence Reports for the USIB Agencies. He estimated their needs to be approximately 1,000 cubic feet. He will give us a more accurate estimate later.
